Selling Your Business Your Way: Getting Out, Getting Rich & Getting on With Your Life

The author of "Buyout: The Insider's Guide to Buying Your Own Company" (and managing partner at Pine Creek Partners in Washington) is back with the other side of the coin – getting out of your business once you've put yourself into it.

He walks through the process, starting with your way-in-advance preparations and carrying you through building your team, determining the business's value, and on to figuring out what you'll do next.
